**FROM THE TEAM**

**WHY BRILLIANT BRUSH STROKES**

Brilliant Brush Strokes are a reliable company that consistently set and meet a high standard.

The owner, Lyndon, is easy to work with and flexible in his pricing. Negotiations had to be made regarding costs for each bedroom in the JCU Accommodation project, and Lyndon was able to work with our team until we came to an agreement.

Mal, the site foreman, also proved invaluable across multiple jobs as he continuously met time restraints by ensuring there were always enough staff onsite.

**HOW DID YOU ENGAGE**

The Townsville team engaged with Brilliant Brush Strokes through tendering platforms, BidContender and EstimateOne.
