OUR NEW TOOLBOX EXPLAINED.

The screenshot shows the Hutchies Toolbox website. At the top, there's a navigation bar with 'MEGA NAVIGATION' and the Hutchies logo. Below that is a 'TOOLBOX' header. A 'LIVE DATE' section shows 'THURSDAY, 27 APRIL 2017' and 'BRISBANE' with weather details '17.0°C / CLEAR SKY'. A 'PUBLIC HOLIDAY / LABOUR DAY (QLD) & MAY DAY (NT)' notification is visible. The main content area is titled 'ALERTS & NOTIFICATIONS' and features a grid of 15 tiles for various services like 'HUTCHIES' WISDIO', 'DOCS', 'SIT MANAGEMENT GUIDES', 'BIG 10', 'WEATHER', 'SITCH VIDEOS', 'ONLINE INDUCTIONS', 'GCSC', 'INDIGENOUS CAREERS IN CONSTRUCTION', 'CITRIX ShareFile', and 'IBM'. Below this is a 'LIVE & FAST GOOGLE SEARCH' bar. The bottom section is 'THE FEED' with the text 'LIVE NEWS & UPDATES FROM THE HUTCHIES WEBSITE' and three image thumbnails.

LOGGING IN

SECURE CONTENT

Some content within Toolbox requires you to log in with your Hutchies credentials. Use the credentials format shown here to login to these new systems →

CREDENTIALS

Your secure login to Hutchies' new online systems is:
Username `firstname.lastname@hutchinsonbuilders.com.au`
Password your standard HB password
