# OUR NEW TOOLBOX EXPLAINED.

The screenshot shows the Hutchies Toolbox website interface. At the top, there's a navigation bar with 'MEGA NAVIGATION' and the Hutchies Builders logo (Established 1912). A large 'TOOLBOX HUTCHIES' PORTAL' banner is prominent. Below this, a 'LIVE DATE' section shows 'THURSDAY, 27 APRIL 2017' for 'BRISBANE' with a weather forecast of '11:08AM AEST / 19°C / CLEAR SKY'. A notification for 'PUBLIC HOLIDAY / LABOUR DAY (QLD) & MAY DAY (NT)' is visible. The main content area is titled 'ALERTS & NOTIFICATIONS' and features a grid of 15 tiles: Hutchies' Website, Document Library, Site Management Guides, BIG 10, Defect Logger, Weather, Hutch Videos, Online Inductions, GCSC (Gold Coast School of Construction), Statin-Yaga (Start Work), a phone icon, a map, Citrix ShareFile, and IBM. Below the grid is a 'LIVE & FAST GOOGLE SEARCH' bar. At the bottom, 'THE FEED' section displays 'LIVE NEWS & UPDATES FROM THE HUTCHIES WEBSITE' with three image thumbnails.

## LOGGING IN

### SECURE CONTENT

Some content within Toolbox requires you to log in with your Hutchies credentials. Use the credentials format shown here to login to these new systems →

### CREDENTIALS

Your secure login to Hutchies' new online systems is:  
**Username** `firstname.lastname@hutchinsonbuilders.com.au`  
**Password** your standard HB password
